SOTA Curriculum Night 2016

Wednesday, September 14, 2016

6:30-8:30 PM

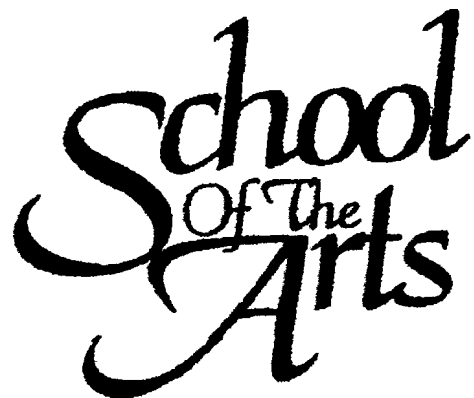

Don't miss SOTA's Annual Curriculum Night.

Experience a day in the school-life of your child... go through their daily schedules, visit their classrooms, meet their teachers, learn about their curriculum, and course criteria.

Follow your student as they go through an exciting day at School of the Arts. Curriculum Night begins promptly at 6:30 PM, so plan accordingly.

SOTA is going green, so please bring your child's schedule along with you.

We look forward to seeing you!
