

Pinnacle School No. 35 Physical Education Requirements

Participation in physical education classes is required for all students, unless documentation is provided that excuses the students from temporary or permanent participation.

Students are expected to come prepared on the days they participate in physical education. The following clothing is required:

Sneakers

Short-sleeved shirt

Shorts (to be worn underneath their school clothing)

OR

Sweatpants

It is important that students wear the appropriate clothes and footwear for health and safety reasons. Jeans, dress pants, dresses, skirts, boots, sandals or dress shoes are **not** acceptable types of clothing and footwear. Students will not be able to participate in physical education class if they are not dressed appropriately.

Please speak to your child about the importance of preparation and participation in physical education class. Then complete the bottom portion of this form to indicate that you have read and reviewed with your child the School's requirements for student participation in physical education classes. Your child can return the signed form to his/her classroom teacher.

If you have any questions, please call the Physical Education Teachers at 271-4583.

I have read and shared the above information with my child. We understand that all students are expected to wear the appropriate attire when participating in physical education class.
